Professional Experience

INFRAMERICA - Brasilia International Airport.

Civil Aviation Inspector - March/2023 a March/2024.

I Coordinated and supervised the movement of people and equipment. Performed aircraft marshalling, coupling/uncoupling of boarding bridges and also carried out inspections on aircraft landing strips and takeoffs.

FEDEX - Wilmington Unit - Massachussets - EUA.

Truck Driver/Delivery - November/2019 a December/2020.

I was a truck driver (Step-Van Delivery) and delivered goods for FEDEX at the Wilmington Unit - Massachusetts and delivered daily to the cities of Stoneham, Wakefield and Melrose - MA, and due to the worsening of the pandemic, I decided together with my wife and we returned to Brazil in December 2020.

MILITARY POLICE - Federal District.

Cabo - June/2002 a April/2014.

I was a military police officer in Brasília for 12 years, with an excellent record, the last 5 years in the Air Battalion. I decided together with my wife and left the Military Police to study and work in the USA, I went to Boston where I lived for 7 years, I studied English in 3 different schools at that time, then we returned to Brazil in December 2020..

E.T.E. - Telecommunications and Electricity Engineering.

IRLA - Line and Appliance Installer and Repairer - May/2001 a March/2002.

I worked with my own car, where I was paid for car rental and driver bonus. Installing telephone lines and maintaining public telephones.

AMBEV - Beverage Company of the Americas

Production Process Operator - February/2000 a November/2000.

I worked in the second beer production process, in the wort cooling sector. I worked on a 6x1 scale.
